Registration Fee: \$65 (includes training, materials, Thursday lunch, and refreshments)
LIMITED SEATING – REGISTER TODAY!

Hosted by:

Nevada FFA– Registration Contact- Heather Dye, hdye@agri.nv.gov

The AET - Questions about workshop content - Roger Hanagriff, roger@theaet.com

Presenter:

Dr. Roger D. Hanagriff, The Agricultural Experience Tracker (theaet.com) & Texas A&M University

Focus:

Using case studies for each type of SAE, this workshop will be an experiential learning opportunity for students managing SAE information, reviewing AET reports and related processes to have correct information to flow into FFA award applications.

Wednesday January 6th – JA Nugget Hotel, Central Pacific Room

7:00 PM Welcome, refreshments, workshop summary and introductions

Thursday January 7th – UNR, Fleishmann Ag, Room 234

8:00 AM Welcome, review of agenda Using www.ExploreSAE.com (free SAE resource)

9:00 AM Case Study 1 – developing and managing breeding livestock SAEs with beginning inventory, setting up livestock SAEs, using the livestock managers and entering financials. Also covered in raised breeding livestock and managing new SAE projects.

12:00 PM Lunch (provided) & breaks for the afternoon

12:30 PM Case Study 2 – developing and managing an entrepreneurship fabrication project using school facilities (School-Based SAEs) and evaluating revenue and cost for ending value.

2:30 PM Case Study 3 – managing paid SAE projects and developing placement roles; managing unpaid placement SAEs and entering student SAE journals.

3:30 PM Case Study 4 – managing research SAE projects and related transactions for a wildlife research SAE project.

5:00 PM Case Study 5 - managing exploratory SAE projects in career exploration.

***Friday January 8th – UNR, Fleishmann Ag, Room 234 (New Added Day)**

8:30 AM Summary SAE Reporting in AET and process of applying for FFA award applications.
Also, tips for submitting successful award applications

*Sessions will focus on how students enter beginning financial data and other aspects of complex entrepreneurship SAEs, placement experiences (both paid and unpaid) and strategies to improve records and award information in common types of SAEs. **Each participant will be provided with class lessons for students, educational curriculum and SAE grading rubrics to use in the classroom.***
